Herbert Lincoln Clarke is the most famous cornet soloist of the traveling concert band era (late 1880’s -1920’s). Clarke taught himself to play the cornet using the Arban’s book, and also became a talented violinist and violist. Herbert L. Clarke traveled over 800,000 miles during 34 concert tours throughout the United States and 14 different countries. He was a featured soloist at all of the “World’s Fairs” including Chicago, Atlanta, Paris, Buffalo, New York, Glasgow, Scotland, Saint Louis and the Panama Exhibition in San Francisco. He performed over 6,000 cornet solos, performing 473 in one season alone. Beginning in 1904 he made more recordings than any other cornet soloist of the period, most of which are still available.

As a composer and writer he composed over 50 cornet solos, over 50 marches and 10 overtures for band, penned numerous journal articles (A Cornet Playing Pilgrim’s Progress was a series of 24 articles.), a short autobiography, and 3 volumes of cornet studies. The 3 books, Elementary Studies, Technical Studies, and Characteristic Studies for the cornet are still in use today. Clarke wrote Cousins, a cornet & trombone duet with band accompaniment in 1904 for himself as the cornet soloist and Leo Zimmerman as the trombone soloist. It was recorded on Edison Gold Molded Cylinder # 9245 in 1906. Herbert L. Clarke’s papers, music and memorabilia are kept at the University of Illinois at Urbana-Champaign.

To create a clean new edition, dynamics and articulations were made more consistent in the parts. Also provided with the set is an optional part for either another cornet (or flugel horn) to play the original trombone line.
