Petite Piece Concertante (Little Concert Piece)

Guillaume Balay
Arranged by David Marlatt

This is a standard piece in solo trumpet repertoire that is used on countless festivals and competitions. The beautiful opening weaves its way through several key centers leading to the March where fast fingers and light articulations come into play. A great piece to show the capabilities of the cornet (or trumpet).

The original was scored for cornet and piano and this arrangement for band allows for a wider range of timbres in the accompaniment.
