Boomer Blues

Ryan Meeboer

*Boomer Blues* is exactly what the title states, a 12-bar blues composed for boomwhackers. It is a fun upbeat tune where each player requires only two boomwhackers. After a short introduction, the piece moves into a catchy riff before finally bringing in the main melody. After going through some variations of the tune and some call and response sections, the piece brings back the riff before closing. The tune is accompanied by a swing beat kept by only maracas and a tambourine playable by one performer.

Please contact the composer if you require any further information about this piece or his availability for commissioning new works and appearances.
