## Canzon per Sonare #2

Giovanni Gabrieli

*Arranged by David Marlatt*

Canzoni were pieces composed for various combinations of instruments and various sizes of ensembles. The actual instrumentation of many of Giovanni Gabrieli's canzoni is not known, mainly because these pieces were designed for an ensemble of non-specific instruments. They were often performed combining oboes, violins, trumpets, trombones, gambas and many others. The most famous set of Gabrieli canzoni was his *Sacrae symphoniae* (1597). Included in these 16 works is the famous *Sonata piano e forte* which links the canzon and the sonata.

The independent, interweaving lines make this a suitable piece for either a quartet or a full string orchestra.
