## Galliard Battaglia

Samuel Scheidt  
*Arranged by David Marlatt*

This is a piece that requires no introduction to trumpet players. The famous Canadian Brass quintet arrangement has been played by quintets all over the world for years. Samuel Scheidt (1587-1654) was best known as an organist and composer but it was he, in 1624, who wrote *Tablatura nova* proposing staff notation rather than tablature.

Some editorial dynamics, articulations and suggested ornaments have been included which can be altered at the performers' discretion.
