## Three Susato Dances *from The Danserye*

Tielman Susato

*Arranged by David Marlatt*

**THE WORK:** Tylman Susato (1500-1561) was an amateur musician who set himself up as a printer and publisher of his and other people's music. It was from the Danserye (1551), a set of dances, that these three dances have been selected and arranged. There was no indication on the original score as to the instrumentation but Susato said "the dances shall be pleasing and appropriate, to be played on instruments of all kinds".

**THE TRANSCRIPTION:** Originally for four unnamed instruments, this arrangement has been expanded to two choirs of four like instruments. Imitation of articulations and style is crucial between the two choirs. Dynamic changes have been indicated and should also be followed strictly.
