Hallelujah
from Messiah
George Frederic Handel
Arranged by David Marlatt

Handel's most frequently performed and most famous oratorio is probably best known for the famous *Hallelujah*. The *Hallelujah* is the grand chorus that caused the King to rise from his seat and as all good subjects, the entire audience rose with him. This tradition holds true even today reminding us of the great beginnings of this powerful music.

This arrangement has been lowered a tone from the original into C concert.

If the performance is with a choir, balance should be carefully considered. Wind parts should be played quieter or may be tacet in sections to allow for the voices to be better heard.
