Three and Three Quarters
A Trivial Trifle

Kevin Kaisershot

The title of this piece, *Three and Three-Quarters*, is not meant as some hidden cryptic message, but simply that of three performers getting together for some musical fun in three-quarter time. It is a lighthearted work, hence the subtitle "A Trivial Trifle."

In any ensemble the idea of balance is always a concern. While every member of this ensemble gets a share of the melodic line at some point, it is important for the other parts to allow that line to speak while being "supportive" both harmonically and rhythmically. The metronome indication is somewhat of a springboard as I would encourage those who can (and please do this sensibly) to work the tempo up to MM = 80.

This work is part of a growing series of original pieces by this talented composer. Many of these titles are already found on contest lists throughout the country.

These like-instrument ensemble works are designed to be performed by junior high and high school level musicians. They are ideal for use in festivals and competitions as well as in concerts, church services and other special events. All pieces are melodically and rhythmically creative with all parts being interesting and suitable in difficulty. (Easy-Medium, Medium)
